**12 THE RUNDOWN**

The staff of Denver Hotel Magazine picks some of our favorite goings on around the state.

**46 THE SCENE**

Denver serves up a diverse array of events that will tempt even the most discriminating traveler. Whether it's professional sports, first-rate comedy, great music or the best of Broadway, you won't want to miss the fun taking place in a host of great venues.

**54 DINING**

Denver's noteworthy restaurants and fabulous chefs are creating savory dishes that will entice travelers who appreciate the best. We've compiled a guide to some of the city's top dining establishments, guaranteed to please any palate.

**60 SHOPPING**

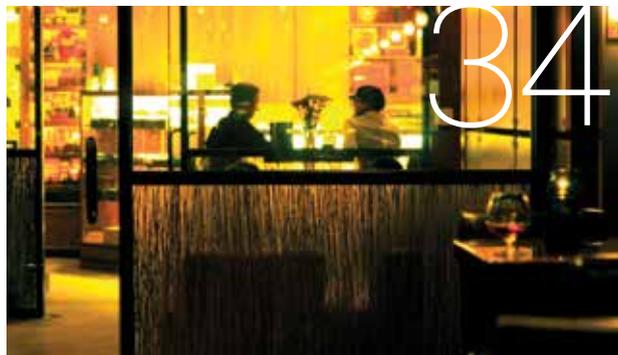

From high-end boutiques and malls to trendy vintage shops, Denver Hotel Magazine shows you the city's best places to find that special something ... or a little something extra.

**62 ATTRACTIONS**

Expect the unexpected when you spend time in Denver. Browse our list of top local attractions that should not be missed when visiting the Mile High City.

**72 OUR PARTING SHOT**

Majestic Wilson Peak, standing at 14,017 feet and awash with wildflowers at the base, serves as the signature symbol of the San Juan Mountains in Telluride, Colorado. Photographer Kerry Koepping captures the drama of the peak in all its colorful splendor.

## **Crack a Coors on Wilson Peak**

Majestic Wilson Peak is featured on Coors/Coors Light beer labels. At 14,017 feet, the mountain is awash with millions of wildflowers. From mid-June through mid-September, the iconic Hotel Telluride offers an exclusive “Crack a Coors on Wilson Peak” package, including a private guided tour and lunch at the summit. At the top, climbers are rewarded with spectacular photo ops and of course, Coors Beer! Cheers!
